

MARKET PLACE AND EASTRY SURGERIES

Public Meetings in Eastry Village Hall

Thursday, 23rd August, 2018 1 – 2 pm

Tuesday, 4th September, 2018 7 – 8 pm

Service Redesign - Case for Change

A proposal is to be submitted to Canterbury & Coastal Commissioning Consortium Group in September to close Eastry Surgery.

This is in response to challenges faced with recruitment of medical staff and the current drive within the NHS for practices to come together and to work at scale for the benefit of patients.

Please take this opportunity to come and hear about the proposals and how we wish to develop the practice and consolidate services onto one site in Sandwich.

Come and meet representatives from the surgery, members of the PPG, local councillors and Healthwatch and share your views.

Practice Mission Statement

“We believe that in order to deliver the Five Year Forward View in line with the Sustainability and Transformation Plan for Kent and Medway, we need to consolidate onto one site and provide a comprehensive service for the benefit of all our patients. This will secure the future of primary care in Sandwich and surrounding villages, and provide an attractive and dynamic place for doctors and staff to work in serving our patients.”
