

## **Natural Flood Management Event**

The Watercourse Officer - Kentish Stour Countryside Partnership will be giving a short presentation to explain what Natural Flood Management is and to explain what they are trying to do in Sutton/ East Studdal

**5th February 2019**

**at the beginning of the Parish Council meeting**

**Studdal Church Hall**

**7.30 pm**

**Local residents very welcome**

**please come along**

**for a short film about natural flood management**

**to discuss ideas on rain water capture**

**to help decrease the high water flows causing issues in the village**

**How can this community help?**
